

GWHOA Architectural Committee
Meeting Minutes
July 14, 2025

The committee approved a request via email (5/31/2025) for the owners of 1070 Hunters Path to build a house on that vacant lot. This approval followed several months and meetings to review the request. Information packets were mailed to contiguous property owners for comments. No comments were received by the committee.

The committee approved a request via email (6/29/2025) for the owners of 995 Chapel Forge Court to build a brick patio onto the rear of their house. Mr. Gainer abstained from voting on this request. Information packets were mailed to contiguous property owners for comments. No comments were received by the committee.
